

Dear Parent/Carer

I am pleased to be able to provide you with your child's final Praising Stars report of this academic year.

The Praising Stars report is slightly different to those that you have received throughout the year as it reflects your child's attainment in all subjects as well as a specific reading, writing and mathematics target.

At the end of the report you will find a general comment which summarises your child's strengths and next steps.

I would encourage you to look out for the 'star' in your child's report. All of our children have an area of the curriculum where they truly shine and in your child's report the class teacher has identified this with a shiny star. Go and hunt for you little star's little star!

Should you wish to discuss your child's report, please do not hesitate to contact the academy.

Yours sincerely,

Mrs J Clayton

Principal
