Rainbow Factory Visit

Dear Parent/ Carer

Rainbows and Sunshines have been given a great opportunity for the Rainbow Factory Education Company to come and visit our school to carry out a superhero themed workshop. The Rainbow Factory specialises in storytelling through imaginative play and creative arts. The workshop will include two members of staff in character as superheroes bringing a story to life, playing games, drama activities and a science workshop. This workshop is designed to inspire children to use their imagination and develop a love for reading and writing. As our theme this half term is superheroes, it would be fantastic if your child could come to school dressed up as a superhero character this day.

This is a more cost effective way of delivering the workshop, as there is no coach cost involved.

The full cost for the day is £7.52 per child however we are asking for a contribution of £6.00 per child, which can be paid, on Parentpay using the drop down and choosing Rainbow Factory.

To help us with budgeting please complete the slip below and return to the office.

Thank You
