## Attendance

Good attendance at school is important for your child's academic progress, social interaction with peers and the opportunity to participate in clubs and try new activities. At Ledger Lane, we have an expectation that every pupil should aim for 100% attendance and punctuality. Please remember - in the line for quarter to nine!

## Children's roles

Since returning to school, we have introduced the roles of School Parliament representatives, Reading Ambassadors and Wellbeing Champions. A huge thank you to everyone who applied for these roles; writing amazing application forms, presenting in front of their peers and all children participated in a democratic vote - we are extremely proud of you.

We are delighted to introduce you to our newly appointed:

### School Parliament

### Reading Ambassadors

### Wellbeing Champions

We look forward to sharing information about the exciting projects they lead in school.

## Visitor

Nursery children had an exciting visit from Dr Meg to

enhance their learning about our skeleton. They looked at x-rays and explored the different bones and joints in our body.

It has been wonderful to open our doors to all our children, including our new starters. We are so proud of how everybody has settled into their new routines (and with lots of smiles!)

Children's safety and happiness in school is our ultimate goal. If you have any queries or questions, please make an appointment to see your child's teacher. Furthermore, you can also speak with Mrs Skirrow, Mrs Hewitt, Miss Sunderland or Ms Cooper who are often on the school gates and playground before and after school.

Thank you to parents and carers for ensuring our uniform policy is adhered to – the children look so smart! Our policy can be found here: <https://www.ledgerlane.outwood.com/uniform>

**Please note that jewellery, including earrings, are not allowed in school.**

## Parking and Road Safety

We ask that you support us in safeguarding our children outside of the school grounds by parking respectfully and responsibly.

During one of our assembly's, the children received a personal message from Alistair Brownlee reminding them how to keep safe whilst cycling. Next week, one of our assembly's will focus on reminding the children how to keep safe on the road. We appreciate your continued support in reinforcing these key messages at home.

## Our academy needs you!

Please see the attached poster explaining the exciting opportunity.
