

**Book of the Week: We're Going on a Dinosaur Dig.**

**Can you rescue the dinosaurs? How many can you find? Put them into groups and count them.**

**Can you create a paper plate Dinosaur? Practice your cutting, joining and scrunching skills.**

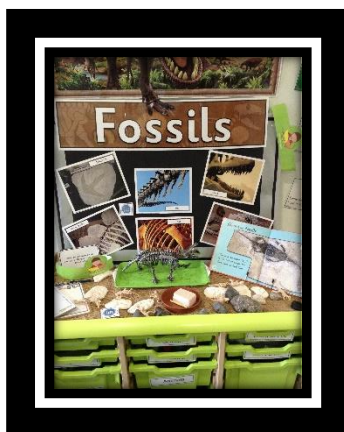

**Can you be a Palaeontologist? Uncover the bones in the sand and draw a picture of what you find.**

# This week's challenges!

**Can you create Dinosaur footprints in the dough? What patterns can you make?**

**Can you put together the Triceratops skeleton?**

**Can you use a brush to uncover the dinosaurs? Don't forget to hold your brush in 'crocodile' fingers!**

**Can you thread the correct number of beads onto the Dinosaurs?**
