Keeping everyone safe

At Ledger Lane, we are trying to ensure measures are in place to protect our community.

When entering school premises there are three simple things that you can do to keep yourselves and others around you safe. Firstly, wash your hands regularly and for at least twenty seconds. Secondly, cover your face, especially where social distancing may be difficult. Thirdly, keep space between you and others wherever possible. Thank you for your continued support.

Twitter

Please follow @OPA_LL and your child's class twitter for regular updates.

Virtual Assemblies

Our virtual assemblies have been a huge success and enable us to have a voice across school whilst still adhering to our safety measures.

We have encouraged the quality of resilience through our learner model assembly; coordinators have launched School Parliament, Reading Ambassadors and Mental Wellbeing Champions roles. We have also celebrated individual pupil achievements in our live virtual mentions assembly.

Our team intend to do our best to follow the guidance and keep our staff, pupils and community safe.
