

Book of the Week:
Owl Babies

Can you use the cotton wool to paint the owl babies? What other features do you need to paint?

Can you use the cards to help you draw a picture of an owl? Look closely at each step.

Can you create an owl puppet? Use your scissor skills to cut out feathers for your puppet.

This week's challenges!

Can you make a dough owl? You could add real feathers or choose a tool to create a feathered effect.

Can you order the owl numbers?
Can you complete the owl counting sheet and record the numbers?

Can you draw the Owl babies? Maybe you could have a go at writing a speech bubble for them.

Can you practice your scissor skills by cutting along the line?
Can you carefully place the feathers in the colanders holes?
