## **RE: Fairy Garden Competition**

To all students of Ledger Lane,

As part of our Protect and Respect the Environment Diploma, we would like to raise money for the school garden to make it a more exciting and engaging place for us to learn and play. Therefore, we are hosting a competition to see who can build the best fairy garden.

We would like you to create a fairy garden using safe and possibly recyclable materials (such as cardboard, plastic, wood, stones etc.). School Parliament, along with the school Governors, will judge the competition entries on **Wednesday 16th February 2022**. We will choose a winner from Nursery & Reception, Key Stage 1, Lower Key Stage 2 and Upper Key Stage 2. Winners will receive a **special prize** and their fairy gardens will be placed in the school garden.

If you would like to help us to raise funds for the school garden, we would greatly appreciate a **£2 donation** with every competition entry (siblings can work together if they like).

Warmest regards,

School Parliament
