

30th November 2020

Dear Parents/Carers,

As part of our continued drive to support our local community, for Christmas this year we will be taking part in a food bank collection for Outwood Assist – Covid-19 to help those affected by Coronavirus. Outwood Assist is a local charity group who deliver food/care packages to elderly people who are on their own.

Your kind donations will enable them to provide support and assistance to those who are self-isolating or facing unprecedented pressures by the Covid-19 pandemic. Their aim is to get 30 hampers together so they can be distributed to those in need of a bit of Christmas cheer in these difficult times.

In order for them to provide this support, the service depends upon donations from members of the public and organisations. If you wish to support this vital resource, any donations are welcome and will be collected by the head of fundraising, Julie Valentine and local councillor, Nic Stansby. The donation drop off point will be situated in the car park to the left of the school gate on Wednesday 9th December in the morning from 8.30am and then at home time from 3pm.

If you have someone elderly in mind who you think would benefit from one of these care packages please speak to one of the team at the collection point on Wednesday 9th December.

Thank you in advance for your continued support and generosity,

Yours faithfully,

Mrs R Skirrow

Principal
