Children First
OUTWOOD
PRIMARY ACADEMY LEDGER LANE

Class performance:

We have continued to practice for our class performance. All children now know their lines and can perform without a script.

Charlie has perfected his Dr. Who role and Riley makes a wonderful Darlek.

It has been wonderful to watch so many children come out of their comfort zone and take on acting parts.

*I really enjoyed this week because I like playing Alesha Dixon and doing the class dance - **Keya***

*I really enjoyed being sarcastic towards Miss Bedford in the quiz show sketch – **Amelia***

*I enjoyed practicing my part in the performance and I am excited to perform to an audience next week – **Ellie-May***

Weekly Updates

D&T:

This week, we have started our D&T project. We are making controllable vehicles.

The children have to make an electrical circuit with a motor and then assemble the car.

Children have used saws and glue guns this week for the first time and have been extremely successful.

*I really enjoyed starting to make the vehicles, it was really fun. I liked using the saw – **Aaron***

*I enjoyed making the car because I got to work with my friend Curtis. It was fun, even though a bit tricky – **Hamzah***

Sports Leader:

During the afternoon, we have started to complete the Young Leader Sport Award.

Children have to complete a variety of different activities, leading groups of children in order to achieve this.

We have looked at a range of invasion games and how to fairly split children in teams.

*I enjoyed playing the different versions of tag and then making up my own. I liked watching the rest of the class try my version – **Summer***

H

*I enjoyed learning how to be part of a team and becoming a confident leader - **Bobby***

Next week:

- Monday = dress rehearsal
- Tuesday & Thursday = perform to other year groups
- Wednesday morning = 6MB award ceremony
- Wednesday afternoon = Leaver's picnic/garden party

Thanks, Miss Bedford, Miss Lindop and the wonderful students of 6MB.
