

Week Beginning: 17.1.22

Book of the Week: Romp in the Swamp

Can you create a dinosaurs using the 2D shapes? What shapes can you name?

Can you create a dinosaur skeleton? Practice your scissors skills while cutting their bones!

What letters can you read on the Dinosaur bones you dig for in the sand?

**This week's challenges!**

Can you make your own dinosaur fossils? Press them into the salt dough to create the shapes.

Watch the dinosaur eggs hatch!!!

Can you cut out the dinosaurs to stick onto your Dinosaur world?

Can you peg the pegs onto the dinosaurs back to create amour to protect them from a T - Rex? Count the correct number of pegs to match the numbers!
