

Wednesday 19th April 2023

Dear Parents / Carers,

Year 2 ZooLab Visit

On **Thursday 29th June 2023**, ZooLab will be coming to visit our school to support the learning of our Science topic 'Living things in their Habitats'. This will involve ZooLab bringing various animals (e.g. stick insects, rats and frogs) into school for the children to see and have the opportunity to pet.

The total cost of this visit will be £539, which equates to £9 per child.

In order to support the children with this educational experience, all we ask for is a voluntary contribution of £2 per child as the majority amount will be funded by school.

Please pay contributions by logging into your Parentpay account and selecting the dropdown menu 'Year 2 ZooLab'.

If your child would not like to take part in this experience, please let us know.

Thank you,

Miss Willoughby and Mrs Bentley
Year 2 Teachers
