May 26th: Inset Day and Break Up for Spring Bank

July 4th: KS1 Sports Day

July 6th: KS2 Sports Day

Pupil Voice

Our pupil voice groups work tirelessly each half-term to maximise their impact in their chosen field. Recently, our Mental Wellbeing Ambassadors have implemented several changes into school life at Ledger Lane.

The first has been the popular event, Wellbeing Wednesday. Classes take time out of the curriculum timetable each Wednesday to do some form of wellbeing activity, such as playing games, dancing and singing.

Secondly, they have introduced the Zones of Regulation into each classroom. This is a small area in the classroom where children can perform a mental check-in during different parts of the day.

Mr Nicholson said: "Emotional wellbeing is so important, we are so proud of our children for championing this in their classrooms."

Year 3 MAGNA Trip

Year 3 had a fantastic time on their school trip to MAGNA. What a fantastic way to bring their lessons to life and to share an experience with their friends that they will remember forever. Thank you to all the staff and parents who made this trip possible!

Uniform Reminder

A polite reminder that Outwood Primary Academy Ledger Lane uniform consists of: purple sweatshirt or cardigan (with school logo); white polo t-shirt or white school shirt (see guidelines); grey skirt or trousers; grey socks or tights and black shoes.

Children should also not be wearing earrings in school. For health and safety reasons, plastic spacers cannot be worn for P.E lessons either.

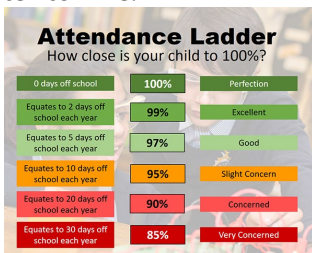

Children can wear a watch to school if they wish, however please be aware of potential damage or loss.

Please note that smart watches cannot be worn in school.

Attendance

Good attendance at school is important for academic progress, social interaction with peers and the opportunity to participate in clubs and try new activities. At Ledger Lane we have an expectation that every pupil should aim for 100% attendance. By making regular school attendance a priority, you can help set your child on the path to success. And remember, be in the line for quarter to nine.

A Guide to Online Learning

The internet is a vast ocean of information, opinions, and content. While many of us will go online and have a positive experience, we must accept that this is not always the case for everyone. So when we see something online that we know is harmful, it is time to take action and report it.

Click [here](#) to read more about how we can report things online.
