

Monday 23rd October 2023

Dear Parents / Carers,

As you already know, reading is an important part of your child's education and an essential life skill. In Nursery, we aim to develop children's love of books at an early age by reading stories, talking about books and characters and generally having fun based on the books we hear. Sitting and listening to stories read by Mum, Dad, Grandparents, or other family members is also an invaluable start to a child's love of books, stories and reading.

Starting on **Tuesday 14th November**, Nursery would like to invite Parents into our setting each week to choose and share a storybook with their child. Nursery will be open to parents on Tuesdays for 20 minutes at the start of the session. During that time, you will choose a book with your child. We will provide a record card for you to keep track of the books you choose.

I hope to see as many of you as possible on our reading day.

Thank you,

Mrs C Parkin
Nursery Teacher / EYFS Lead
