

Friday 12th April 2024

Dear Parents / Carers,

Year 1 ZooLab Visit

On **Tuesday 21st May 2024**, ZooLab will be coming to visit our school to support the learning of our Science topic 'Animals Including Humans'. This will involve ZooLab bringing various animals (e.g. stick insects, frogs, snake) into school for the children to see and have the opportunity to pet.

The total cost of this visit will be £574.80, which equates to £9.58 per child.

In order to support the children with this educational experience, all we ask for is a voluntary contribution of £2 per child as the majority amount will be funded by school.

Please pay contributions by logging into your Parentpay account and selecting the dropdown menu 'Year 1 ZooLab'.

If your child would not like to take part in this experience, please let us know.

Thank you,

Miss Willoughby & Miss Yousaf
Year 1 Teachers
