

Mrs Sarah Burnill

I am enthusiastic about serving as a Parent Governor at Ledger Lane Academy. As a dedicated parent deeply committed to our children's education, I believe this role offers a unique opportunity to contribute to the school's success while representing fellow parents.

With a background in education as a senior leader and education specialist, I can provide valuable insights and meaningful contributions to effective governance. I am a fervent advocate for high-quality education and our children's well-being, eager to collaborate with fellow governors, the school's leadership team, and parents to ensure the best interests of our children.

I value collaboration, open communication, and inclusivity, committed to representing diverse perspectives and concerns. Through constructive dialogue and teamwork, we can foster positive changes benefiting our children and enhancing the school's performance.

I am wholeheartedly devoted to upholding the school's values, promoting a safe and nurturing learning environment, and supporting our children's growth. Serving as a Parent Governor would be a tremendous honour, and I look forward to working closely with the school community to further Ledger Lane's success.

Mrs Preeya Patel

As a committed parent and pharmacist, I strongly value parental involvement in education and wish to contribute to Outwood Academy's educational community. I bring relevant experience and skills to this role:

**Active Involvement:** As a pharmacist, I actively engage with the local community by offering health consultations and creating educational materials on topics like asthma management and medication safety. Regular participation in healthcare events keeps me updated on health-related matters, benefiting student well-being.

**Advisory Role:** My pharmacological expertise enables me to offer informed advice on health-related aspects of the curriculum, including drug education and wellness programs. I also possess budget and resource management skills from my pharmacy experience, which can be valuable for financial guidance within the school community.

**Compliance and Confidentiality:** Upholding strict compliance with medication regulations, patient confidentiality, and ethical record-keeping standards in my pharmacy career reflects my commitment to ethical conduct, ensuring the highest standards of integrity.

**Support for Trust Objectives:** My dedication to healthcare aligns seamlessly with Outwood Academy's mission to enhance student well-being. I am enthusiastic about contributing to initiatives aimed at creating a healthy and thriving learning environment.

In summary, I am eager to leverage my background and skills to foster a thriving educational community at Outwood Academy, ensuring the best possible learning experience for all students.
