

Monday 4th March 2024

Dear Parents / Carers,

Easter Bonnet Parade

As you are aware Easter is nearly upon us. In recent years it has become a tradition for the children in Foundation stage to present an Easter Bonnet parade!

Our Easter Bonnet parade this year will be on **Wednesday 20th March**. We ask that the children make their bonnets at home with as much or as little help from an adult as they choose. They can be based on an Easter theme or something completely different. The design is up to you!

The children will parade their bonnets for the whole school to see and enjoy. Our school parliament will be judging and the best ones will receive a small prize.

Please send your bonnets in **on Wednesday 20th March** as we do not have the facilities to store them any earlier.

Thank you from The Foundation Stage Team
