Weekly Updates

Class performance:

This week we have started to practice for our end of year performance – an exciting episode of the channel 4 hit show, Gogglebox.

On Monday we read through the script and held auditions for the various roles. Since then we have rehearsed numerous times.

Elisia and Isla make a comical Ant and Dec duo, while Jacob pulls off Jack Black's character of Mr S in School of Rock fantastically!

*I enjoy practising for the play because we got to do lots of fun activities - **Charlie***

*This week I really enjoyed practicing for the play, because I got the part I liked. I also learned a new song on the guitar for this - **Anna***

Sports Day:

On Tuesday afternoon, the children completed our in class Sports Day.

The races consisted of:

60m sprint, shuttle run, relay, standing long jump and shotput.

All the children did a fantastic job and were really resilient and tried their best.

*I love the running that we had to do in Sports Day because I like running and it makes me free – **Mihaela***

*I really enjoyed the long jump, even though I thought my little legs couldn't do it – **Summer M***

Our dance:

For part of our Gogglebox show, there is a Britain's Got Talent section where we are going to have a dance off with 6AB.

We have chosen to choreograph our dance to Shakira – hips don't lie.

*I enjoyed dancing because everyone incorporated their own moves and it was good to see it all come together – **Hollie***

*My favourite thing we have done this week is dance. I enjoyed cooperating with my friends and teachers, which really put a smile on my face – **Jacob***

*I enjoyed the dancing. I liked to participate, as I never did much dancing because I thought it was too girly - **Riley***

Next week:

- We are going to continue practicing our play and class dance
- Start our Young Sports Leader award.
- Enjoy this term's virtual Curriculum Talent Award ceremony on Friday

Thanks, Miss Bedford, Miss Lindop and the wonderful students of 6MB.
