

Dear Parent / Carer,

We are excited to give your child the opportunity to further practise their spellings online using the Spelling Shed scheme.

Spelling Shed helps children to practise spelling via a simple game. The game gives four levels of support in the form of difficulty modes: Easy, Medium, Hard and Extreme. Higher levels allow a higher score to be achieved but children can practise as much as they like on lower levels before trying to gain high scores. Your child's teacher will set lists of words that your child may practise and will monitor their progress. These words will be the same as the weekly spelling lists in homework books but there may also be other spelling tasks set.

You will find your child's login details in the front of their planner. You can access the game using this link: www.play.spellingshed.com This is a fantastic opportunity and we would love to hear your reviews.

Yours faithfully,

Mrs Parker and Miss Bartram
